NEWLY ELECTED JMA EXECUTIVE COMMITTEE - 2026

Assalamu Alaykum Warahmatul Allahi Wabarakatuhu

Dear brothers, sisters, and respected elders of the JMA UK community.

I am very privileged to address you all as the president of newly elected JMA-UK team in our first ever digital newsletter. I believe our community is built up by resilience, respect, faith and mutual support.

My primary focus will be on strengthening our bonds here in the UK while scaling our impact back home in Sri Lanka.

It is also important that here in the UK we help guide the growing second generation with our traditions, values and legacy. We will definitely guide them to lead our community matters in the future, Insha'Allah.

I invite everyone to stay active and engaged. Your concerns, suggestions, feedback, contributions, and generosity are the fuel that drives this association forward. Together, we can be a beacon of the hope for our people.

I ask Almighty Allah to give us strength as a community and ask that He guides me to do whatever is beneficial for our people.

جزاك الله خيرا

Mankumban Mosque Reconstruction - Fund Collection

The historic Mankumban Mosque in Jaffna has suffered extensive damage, with around 90% of the structure requiring reconstruction. In partnership with local community leaders, JMA-UK has launched a fundraising campaign to rebuild this important place of worship and community service. We invite everyone to support this noble cause and help restore a lasting legacy for future generations.

JUNE

Zakat Project: Home Renovation in Progress

Home Renovation in Progress is currently underway in YMMA Nagar, Puttalam, where JMA is renovating a partially damaged house to restore safe and dignified living conditions for the family. This meaningful effort is being carried out with the generous support of our well-wishers, whose contributions make it possible for us to uplift communities in need. The project reflects our ongoing commitment to service, compassion, and positive change

WRAPPED UP PROJECT

Project Leader
Br. Jaeros Azankuthoos

The JMA Qurbani Programme was successfully organised this year with the active participation of members and well-wishers. A total of six cows were sacrificed, and the meat was distributed across Jaffna, Puttalam, Negombo, Ikkerigollawa, and Medawachchiya, reaching families in multiple regions. In total, 487 packages were prepared and delivered to beneficiaries.

Each Qurbani share was priced at £80, enabling broad community participation and making it possible for many to contribute to this meaningful initiative.

The project was completed through the dedicated efforts of the JMA team, whose commitment ensured smooth coordination throughout. Special appreciation is extended to the Sri Lankan well-wishers, whose generous support played a significant role in the programme's success
